Hi Alvin,

We're getting this pop-up when we click on accepting any leads on Plentific:

We're registered for gross CIS. How do we check that our details are correct in the system?

Thanks,
Olivia

Hi Olivia,

I can see that you are CIS registered, I've copied in my colleague Ayaz, who will be able to advise what rate you have been registered against Guinness work orders.

@Ayaz Khan Can please advise.

Best regards
Alvin

Thanks Alvin!

Hi Olivia,

I have checked with the team, and can confirm that you have been set up as gross, so no deductions would be applicable.

Kind regards,

Perfect, so to confirm no additional deductions or payments will be taken if we accept leads?

Thanks both.

Kind regards,
Olivia
