Work Carried Out: Jetting was used to try and clear problem, hose got stuck and very hard to remove. Recommend cctv to check line and see why the hose got stuck before any more jetting carried out.

A1:, 10.07.2025

Update, return to do CCTV with report after our jetting hose became stuck. Suspect roots or a drain defect. Hose has now been freed but please do a trace to identify the problem area

Clear blockage/repair leak from stream/drainage in the Dell.

The stream that runs through the top part of the Dell goes into a drain and that is badly blocked. The mesh that stopped branches and debris has either been jammed inside or thrown somewhere.

The manholes (there are 2) are on the outside of the Dell, near the
